

# SUBMIT PHOTOS THAT REPRESENT YOU LIKE A CHAMPION

Clear, high-quality photos help us review and promote athletes selected for the field. Images may be used for tournament announcements and player features.

Submit photos that are clear, professional, and ready for use.

We are asking for one good headshot and one action shot.

**Unusable images may impact your application review. Screenshots will not be accepted.**

## GOOD PHOTO GUIDELINES

- We will need one headshot and one golf action shot
- Submit recent, high-resolution photos
- Images should be clear, sharp, and well-lit. Avoid shadows.
- You should be the only person in the image.
- There should be no other words on the photos with a plain or neutral background.
- Rename your photo per the instructions below

**Tip:** Photos where a player is holding large awards, certificates, or scorecards can be difficult for us to feature. When possible, please submit photos without these items.
